Rules.

1. This Society shall be called the Harleian Society.

2. It shall have for its chief object the publication of the Heraldic Visitations of Counties, and any manuscripts relating to Genealogy, Family History, and Heraldry, selected by the Council.

3. The Council shall consist of a President, nine Vice-Presidents, and twelve Members of Council, two of whom shall hold the posts of Secretary and Treasurer; and any four, including the Treasurer or Secretary, shall form a quorum. In case of equality of votes, the Chairman to have a casting vote. Any Candidate may be elected with the consent in writing of one Member of the Council, the Treasurer, and the Secretary.

4. Three Members of the Council shall retire in rotation annually, but shall be eligible for re-election.

5. The Annual Subscription shall be One Guinea, paid in advance, and due on the 1st day of January in each year; and new Members shall pay an Entrance Fee of 10*s.* 6*d.* in addition to their first Annual Subscription.

6. Members may at their option subscribe Two Guineas per annum, in which case they will be entitled to the publications of the Register Section of the Society.

7. The funds raised by the Society shall be expended in publishing such works as are selected by the Council; but no payment in money shall be made to any person for editing any work for the Society.

8. One volume at least shall be supplied to the Members every year.

9. An Annual Meeting shall be held in the month of June every year, at such time and place as the Council may direct; and due notice shall be sent to the Members of the Society at least a fortnight previously.

10. No work shall be supplied to any Member unless his Subscription for the year be paid; and any Member not having paid his Subscription

for two years, having received notice thereof, shall cease to belong to the Society.

11. No copies of the publications of the Society shall be supplied to persons not actually Members, and each Member shall be restricted to a single Subscription.

12. An account of the receipts and expenses of the Society to be made up to the 1st of June in each year, and published with a list of the Members and the Rules of the Society in the following Volume.

13. These Rules shall not be altered except at the Annual Meeting, and three clear weeks' notice must be given to the Secretary of any such intended alteration.

Report for the Year 1878-9.

THE Council are glad to report the steady progress of the Society.

The number of Members is steadily increasing, there being three hundred and ninety-three now on the roll as against three hundred and seventy-five in the last Annual Report.

The Society has printed and distributed the first part of the "Visitations of Essex;" the second part is printed, and the Index is now being prepared.

The "Visitation of London" is also in progress, but owing to the illness of the Engraver it has not proceeded quite so rapidly as the Council could have wished.

Three volumes of the Register Section have been issued since the last Annual Meeting in return for two years' subscriptions, viz., I. "The Registers of St. Peter's, Cornhill," Part I.; II. "The Registers of Canterbury Cathedral;" III. "The Registers of St. Dionis Backchurch."

The second part of "St. Peter's, Cornhill," bringing that Register down to 1754, is just published.

The Members will notice that the sum of £93 : 12 : 0 stands against the Register Section in the accounts. This is partly owing to the sum of £58 : 14 : 0 having been paid for transcripts of Registers which it was desirable to obtain without delay; but principally it is in consequence of Members not paying their subscriptions when they become due.

The above remark applies equally to the ordinary Subscribers, there being at present one hundred and seventy subscriptions in arrear for 1879.

The Council would recommend that those Members who keep a banking account should send a general order to their bankers to pay their Subscriptions to the credit of the Harleian Society's Account with the London and County Bank on the 1st of January in each year.

In consequence of the enormous inequality of cost in delivering the Society's Publications to Members, in some cases amounting to as much as five shillings a volume, and in others as little as fourpence, the Council decided that the Members should pay their own Carriage; but the Society will deliver the books in London, or to any agent or delivery office the Members may desire.

The Council will propose at the next Annual Meeting that the Accounts shall for the future be made up to the 31st December, and the Annual Meeting held in January instead of June.

* This gentleman was of the ancient family of the Nowells of Read, co. Lancashire, of which family was the eminent scholar and divine, Alexander Nowell, the celebrated Dean of St. Paul's, who erected the Grammar School at Middleton in that county 1572, and who for more than seventy years was intimately connected with the Civil and Ecclesiastical history of his country. In the early part of his valuable life (1543) he was appointed Second Master of the new foundation of Westminster School, in which important situation he is said to have instilled the principles of the Reformation into the minds of his pupils while reading with them the New Testament in the original language. This excellent and distinguished man was a great favourite with Queen Elizabeth and her sage councillor, Burleigh, who would have advanced him to the Episcopal Bench, but which from his advanced age and growing infirmity he declined. He died in 1601, aged 94.
